# WORK ROOM

A modern, minimalist workroom interior. The room features a long, light-colored wooden desk in the foreground. On the desk, there is a small white coffee cup, a white rectangular object, and a small black and white device. To the left, a dark wooden bowl contains several green lemons. In the background, there is a white shelving unit with a few items on it, including a small figurine and some books. To the right, there is a glass partition with a vertical ribbed pattern. The ceiling has several recessed lighting fixtures. The overall atmosphere is clean and professional.
